48. (False, God is mentioned four times.)
49. (Presidents Franklin Roosevelt and Abraham Lincoln, General George Patton, and political activist, Patrick Henry.)
50. (False -- Congress intended the Navy to be created by resolution in October 1775. However, that was not realized until several months later. The process of procuring and outfitting ships as well as enlisting and commissioning personnel was a time-consuming one. The commander in chief of the Navy and other officers were not commissioned until 22 December 1775 – therefore the Marine Corps takes precedence over the Navy.)
